

LOOKING FOR THAT **PERFECT SUMMER JOB?**

How about being a 'First Mate' on a Tour Boat on Keuka Lake?

The Finger Lakes Boating Museum (FLBM), located in Hammondsport, NY, is looking for boating enthusiasts interested in becoming First Mates on our newly-restored **PAT II** 16 passenger tour boat. First Mates will be trained in all aspects of boating safety as well as in how to provide exemplary service to our guests from around the globe. Life Guard certification is preferred.

The **PAT II** will be cruising the southern end of Keuka Lake from late May through mid-October, completing our inaugural season through the Columbus Day holiday. The touring schedule is being finalized and tours will primarily be on the weekends. All positions will be Part-Time; during the peak weeks, the First Mate could work up to 35 hours.

Successful candidates for the First Mate position will be responsible for assisting the Captain in tour preparations, helping guests board the boat, serving our guests, safety checks, daily boat maintenance and tour narration. They will be friendly, outgoing and gracious to all guests and crew, ensuring an enjoyable experience for all. Most importantly, the First Mate will serve as the Captain's eyes and ears in safety issues that may arise.

Interested applicants should submit a cover letter and resume by **April 15** to:

Finger Lakes Boating Museum
P.O. Box 575
Hammondsport, NY 14840
Attention: Edward Wightman

Applications can also be sent to: **pat2boat@flbm.org**
