

FAQ: Frequently Asked Questions for The Pat II Tour Boat

When should I arrive for my cruise?

Fifteen minutes ahead of scheduled launch. The Pat II will depart precisely at scheduled time. We will not hold the boat for any reason. If you must miss your scheduled tour, please call.

Are reservations required? Where do I pick up tickets? Reservations are highly recommended for any cruise and are required for charters. We will accommodate walk-ins when space is available.

www.flbm.org/pat-ii. No tickets are needed. Our helpful crew will check you in at the dock once you arrive!

Where does The Pat II depart from?

Cruises depart from Depot Park: 7 Water Street, Hammondsport, NY, 14840. Follow the yellow flags!

Where do I park?

Public parking is available at Depot Park, a short distance from the dock Pat II will pick up passengers. There are handicapped parking spaces near the Depot Building.

What is seating like on The Pat II?

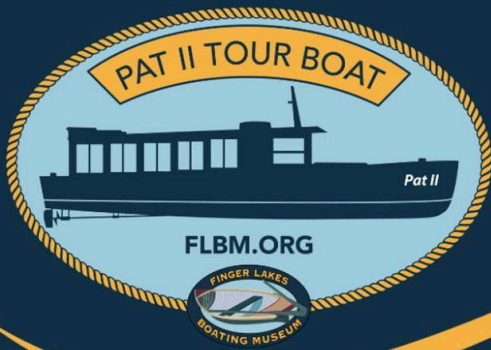

The boat accommodates up to 16 passengers with bench seating. On a full cruise, all passengers sit immediately adjacent to each other. We welcome guests that need additional space to call in advance of their cruise and we will do our best to accommodate. 607-569-2222.

Is the Pat II handicapped accessible?

Unfortunately, wheelchairs and walkers cannot directly access the cabin of The Pat II. There are two small steps with handrails leading to the deck of the boat, followed by four small steps into the cabin. Please call 607-569-2222 if you have any further questions regarding mobility and accessibility.

Are there restrooms on board?

Yes, there is a head! There are wheelchair-accessible facilities in the Depot Building located near the passenger dock.

Do you cruise when it is raining?

We cruise rain or shine! The Pat II's cabin is fully enclosed, with wraparound windows. However, a cruise may be canceled in severe weather such as strong winds, harsh rains, and/or lightning storms.

Are babies allowed on board?

We welcome passengers of all ages. However, if you have a child smaller than 24 pounds, you must bring your own infant USCG approved personal floatation device and the child must wear it at all time.

Are dogs permitted on board?

Pets are not permitted. Please contact us in advance regarding accommodations for your service animal.

May food or beverages be brought on board?

We do not allow any outside food for public tours. Water, coffee, or any other nonalcoholic drink is permitted. For charters, snacks as well as wine and/or beer are permitted on board. No liquor whatsoever. You would be responsible for plates, flatware, and napkins if desired and there is space for a small cooler. Due to the size and layout of the boat, small, pre-plated snacks are recommended for ease of serving. All guests on both public tours and charters are responsible for their own trash.

Are discounts available?

Yes! We offer discounted pricing for all members of the museum. To secure your membership, you may join us on our website www.flbm.org/membership to receive a discounted price! We also offer youth pricing at discounted rates for passengers 18 & under.
